During the winter of 1964-1965, the Firestone swim team was on the first rung of the ladder to success. The team's toughest competition came from Cuyahoga Falls with whom it was tied for the Greater Akron Swim League championship. Our prospective champs had ability; but, without that spark of Falcon enthusiasm, even their greatest effort might not have been enough. At that time, Avis Rent-a-car's slogan "We Try Harder" was adopted to give them the encouragement they needed.

Firestone's students are constantly trying their hardest to attain scholastic excellence, to promote school activities through service and support, and to gain recognition in all fields of athletics. We sincerely hope that in this year's VOLPLANE you will find proof that Firestone's Falcons do try harder.

Principal Cyril Jones delivers daily announcements to student body over the public address system.

Principal Cyril Jones, who worked with the people who planned the building of Firestone High School, has successfully guided the students and faculty through the first years of the school's history. Mr. Jones believes in giving the students as many privileges as they prove they can accept with maturity.

Assistant Principal Calvin Tritt handles disciplinary problems and is in charge of textbooks and teachers' supplies. Counselors Margaret Weikert and Kay Fluke, assisted by Joan McDermott, aid students in planning their schedules and in determining their post-high school activities. Secretaries Grace Bone and Ann Marshall direct the correspondence at Firestone and maintain accurate files and records in the office.

The entire administration is essential to the maintenance of a harmonious and well-run school.

The primary objectives of the English department are to motivate students to do intelligent reading and to expand their ability to convey ideas with clarity.

To this end the department stresses literature and composition rather than grammar at the high school level. Studies include the reading of American, English, and world literatures. Analytic and critical composition relevant to the reading of the students is emphasized. Grammar is studied as its need is revealed in oral and written composition.

Miss Ann Traub teaches English but is pictured on page 23 with the science teachers with whom she teaches the greater part of the day.

The library aids the students and faculty in academic research in diversified areas. Required reading as well as independent study may be accomplished with the expanding facilities of the Firestone library and with the help of Miss Virginia Himebaugh, the librarian.

Films And Lectures Supplement Text

World history, American history, senior problems, and world geography are the courses offered by the history department at Firestone.

World history, which is studied by sophomore classes, covers the ancient, medieval, and modern periods in the history of other countries. Juniors study American history, which traces the development of the United States from its founding until the present day, and also discuss the foreign policy

and current problems of the United States. Senior problems is primarily concerned with the structure of government and with current world events. World geography teaches the student the physical features of the world.

These history courses encourage students to become informed citizens and provide a useful background for further studies.

Biology, chemistry, physical science, and physics are the courses offered in the science department at Firestone.

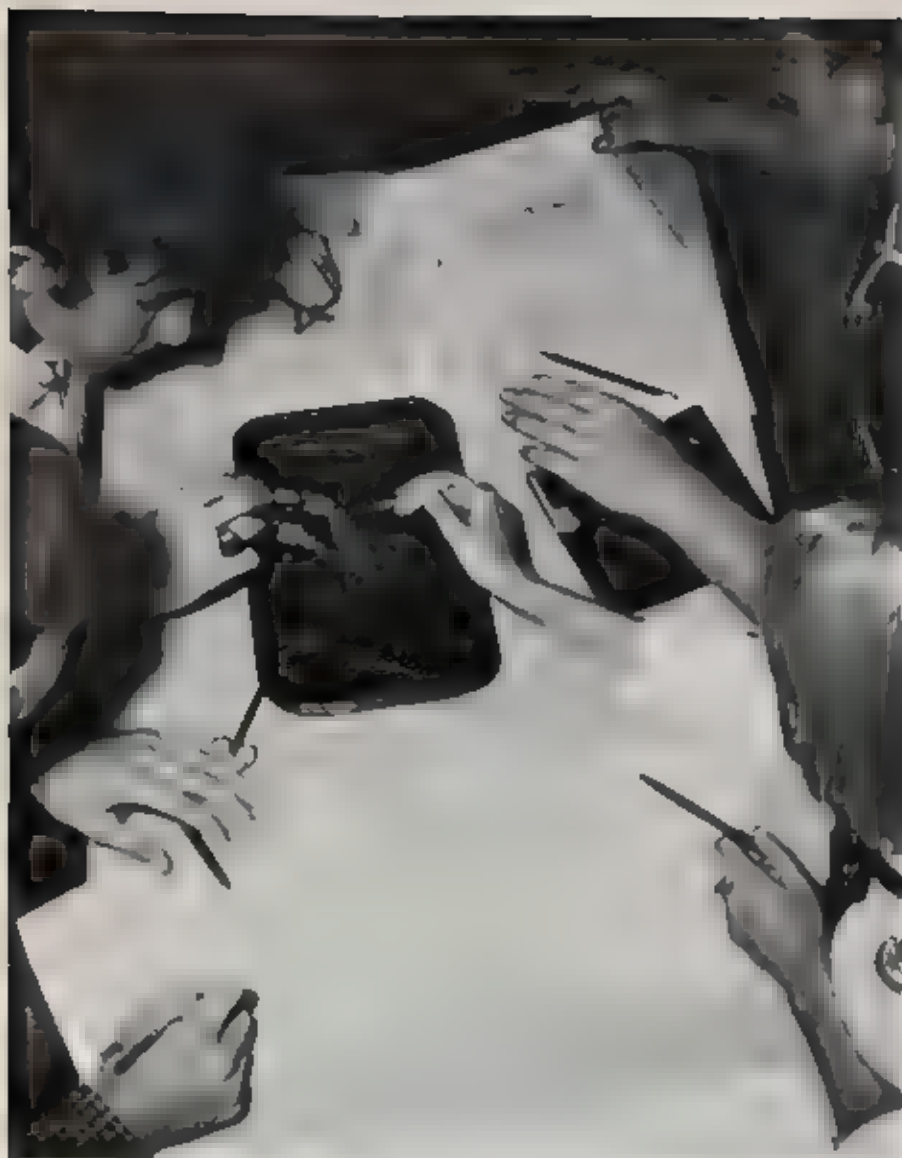

Biology, which is open to sophomores, gives the student a basic knowledge of nature, of the evolution of plant and animal life, and of the human anatomy. Chemistry, which is offered to juniors and seniors, teaches the fundamentals of science, including such topics as basic elements, compounds, reactions and hydrocarbons. It encourages the student to use his powers of reason.

Physics, which is studied by seniors, deals with the properties and actions of matter and energy. Physical science combines basic chemistry and basic physics into a course designed to give an overall view of the essentials of science.

The planetarium, operated by Mr. John Soroka, is used by the physics classes of Firestone and by other students in the city. It allows the observer to scan the stars reflected from the fifty-foot dome.

Elementary school pupils listen as Mr. John Soroka explains the workings of the planetarium.

Mathematics And Business

Mr. Wald Bender

Mrs. Sondra Samples

Courses in algebra, plane geometry, solid geometry, fifth-year math, and calculus are offered by the mathematics department. The goal of this department is to promote the application of the logic of math to the questions of everyday life.

The essentials of abstract mathematics are taught in the algebra courses. Geometry forms a foundation for logical proof as well as for advanced math courses. Fifth-year math, offered to honors seniors for the first time this year, is an introduction to calculus and is based on the set theory. Calculus, an advanced placement class, involves concepts such as limits, differentiation, and rates of change.

Mr. Glyn Parker, pictured on page 22, teaches algebra and fifth-year math in addition to his science classes.

Typing, shorthand, and bookkeeping, taught by Mrs. Beatrice Laatsch, Miss Ila Shriver, and Miss Alma Talbot, are the commercial subjects open to Firestone students. The mastery of these skills is an essential time-saver in both college and business.

Faculty Provides Cultural Background Through Appreciation Of Languages, Music

Second year French students attempt a difficult pronunciation

Mr. Wallace Nolin leads the choir in singing of Christmas carols.

Foreign language courses offered at Firestone include Latin, German, Spanish, and French. The objectives of studying a foreign tongue involve the ability to understand, to speak, to read, and to write the language. Students acquire a knowledge of a foreign culture and literature. The language lab is helpful to both teachers and students, for it makes possible the fluent speaking and better understanding of the language. The department also enables the teacher to help individual students to perfect their reading and writing of the language.

The music department concentrates upon performance and appreciation as well as a theoretical knowledge of music. Performance is encouraged through musicals and afternoon programs; appreciation may be cultivated in music history class and in viewing performances; and theoretical knowledge may be gained through the music theory course. Music theory, music history, and the choir are managed by Mr. Wallace Nolin, while the band and orchestra are directed by Mr. Joseph Lentine. The well-rounded program of the music department has attracted many Firestone students.

Domestic And Manual Arts Provide Lasting

Art, home economics, and industrial arts are offered to talented students of Firestone High School. These departments, in addition to developing skills in their respective areas, assist the school in various projects by such activities as making the sets for school dramatic productions and sewing costumes for the actors.

The home economics section, which includes foods, clothing, and home management, aids the student in the essentials of running a practical home. It is managed by Mrs. Jacqueline Taylor. The industrial arts department, headed by Mr. Paul McKeever, lays a foundation in mechanical drawing and in wood and metal working. The art department develops talents in various areas, such as jewelry design, ceramics, and work in other media, and is handled by Mr. Denis Chasek and Mr. Jere Culver.

Bodies Trim With Health, Gym, Swim

The health and physical education departments are closely related in their aim to develop adults healthy in both body and mind. Health classes aid the student in acquiring good grooming habits, good driving practices, and basic first aid background. The physical education classes, which include gym and swimming, help to build physical fitness and self-control, concentrating upon agility, coordination, and strength in sports.

Mr. Gerald Sipka is the instructor of those students who take driver's education, which is a six-week course in behind-the-wheel training.

Sponsoring major school functions and service projects and making important decisions are the main duties of Firestone's Student Council. Members are selected by their classmates on the basis of leadership ability and scholastic achievement, and they represent all three classes.

Among the activities organized by Student Council were the Friendship Weekend, the Homecoming Presentation and Dance, the canned food drive, and the May Dance.

Led by Mary Yde, the vice-president of Student Council, this committee makes sure that scheduled activities do not conflict. It is also responsible for the planning of all pep assemblies and for sponsoring its own events.

Homeroom Representatives, consisting of one student from each homeroom, serves as a voice of the student body. It assists Student Council with its activities and often helps solve difficult problems.

The weekend of September 10 and 11 was designated by Student Council as Friendship Weekend. On Friday, students wore bermudas to classes and exchanged autographs. Saturday a stag Friendship Dance was sponsored.

September 25, Booster Club sponsored the annual motorcade to Griffin Stadium for the Firestone-Buchtel football game. Cars sporting decorations such as Buchtel corpses and green and gold flowers participated. Judged as best decorated car was the "bee" driven by Irene Mylonas. Cars driven by Pam Miller and Ellis Berns tied for second place.

1965 Marching Band And Majorettes

Under the direction of Mr. Joseph Lentine, the new instrumental director, Firestone's Marching Band performed at all the football games and football assemblies. Through diligent daily practice, the band achieved a precision marching style which won them the trophy in Akron's Soap Box Derby Parade.

Majorettes, led by Donna Krenrick, did an excellent job leading the band's performances.

Head majorette Donna Ruth Krenrick leads Elaine Poulcs, Sue Lusher, Ruth DeCoursey, Bernie Keller, and Dinah Alvarez through routines.

Firestone's gridmen rounded out the 1965 season with a 2-7-1 record. In their first game against Kenmore, the team demonstrated a much improved defense and they finished the season by fighting to fifth place in City Series ranking.

Coch Wallace and his boys surprised Central's Wildcats, 8-0, which the Akron Beacon Journal called at the time the biggest upset of the season in City Series play. The second victory, 8-6, came when the Falcons met South in the last game of the regular competition.

Biology, Chess, And Math Clubs Afford

Biology Club members Terry Marks, Bob Mancino, and Brenton Rapp examine the organs of various animals.

Biology Club members find working and helping to organize the greenhouse very interesting. They also increase their knowledge of biology by dissecting and examining different types of animals. The club's adviser is Miss Ann Traub.

In tournament play, Chess Club has had a very successful year. It has lost only two matches. The club became a member of the newly instituted Akron Chess League. Members have sponsored a lecture on chess. Adviser to the club is Mr. Robert Oldaker.

Superior math students discuss complex problems and theorems at Math Club meetings. They also have had lectures from Akron mathematicians.

Catalinas Develop Aquatic

Firestone Guard members perform valuable services to the swim team and the school. They time at all the meets held in the natatorium, including the Region VI Senior A.A.U. swim meet. Guards also assist in teaching the swimming classes. A party was held in the pool area for guards and swim team members.

The purpose of Catalina Club, newly formed this year, is to develop better skills and gain experience in synchronized and speed swimming for girls. The club completed its speed season undefeated. The members also prepared a synchronized swim show, **Splashes of Scent**, which was presented in April.

Throughout the year Firestone cheerleaders play a major role in keeping school spirit high. They cheer at nearly all athletic events and at pep assemblies which they help plan. Through their morning announcements they remind the student body about games and report the victories and defeats.

Both squads constantly improve and revise their cheers by summer and after school practices. Among their new cheers is "Thumper". The cheerleaders participate in city and state wide programs. In the city cheerleading competition the Varsity squad took third, and Connie Bauer placed second in the individual competition.

Adviser to the girls is Mrs. Jacqueline Taylor.

Riding in a decorated truck, the cheerleaders lead the motorcade to Buchter preceding the football game with our "west side rivals".

Firestone's fabulous "flying fish" made a dream come true by bringing the school its first state championship.

Falcons were led to believe early in the season that this team was something special. Led by the often wet Dick Wells, it compiled a 22-1 record. The team's only loss was to University School, a prep school in Cleveland.

After capturing the Greater Akron Swim League trophy, the "fish" swam easily past the district and straight to Columbus. Here the team accumulated 134 points which was 42 marks ahead of runner-up Canton McKinley. The 200-yard medley relay team tied for first place at state, and the 400-yard freestyle relay team not only achieved the number one ranking at state but was also awarded an All-American rating by the national sports magazine, "Sports World."

Representing the team at the state meet were seniors Stu Powrie, Frank Biondo, Kent Davis, Dave Smith, Steve Dannecker, and Bob Hicks; juniors Kim Lintner, Lee Eisinger, Bill Musser, Neil Weinberg, Jim Miller, Steve Albrecht, and Jim Hynds; and sophomores Norm Loges, Randy Nettling, and Mike Wilcox.

Matmen Grapple With Area Contenders

Firestone's matmen wrapped up the 1965-66 season with a 7-5 overall record. Backed by the coaching of Mr. William Sturm, the team stormed the greater Akron area.

Leading the high scorers was senior Bill Moore (145 lbs.) and sophomore Don Zazo (103). Other high scorers were Bob Leasure (127), Dave Watts (154), Tom Giampetro (175), Nick Goumas (165), Bill Fihe (175), and John Morris (heavyweight). After joining the team late in the season, Joe Hutchinson (133) also produced good results.

The matmen made a fine showing all season and can be proud of their record.

Cooch William Sturm smiles as wrestlers G. Lichten, J. Madoff, N. Goumas and M. Ardelian display trophies which they won at a Junior Varsity tournament at Manchester.

Catalina's first water show . . .

Focus wins "All American"

Both the Mixed Choir and Girls' Glee Club appeared in the third annual musical production, *H.M.S. Pinafore*. They also participated in the serious musical program, *Afternoon of Music*, presented in the winter, and the lighter *Pops Concert* in the spring. In conjunction with the rest of the music departments they planned the annual Christmas Formal.

Both organizations participated in May Festival, and the Swingle Singers, which consists of students from the boys' and girls' ensembles doing vocal arrangements of Bach music for the piano, were one of the featured groups at the Junior High May Festival.

In state competition both the choir and glee club earned excellent ratings. The boys' ensemble was also rated excellent and the girls' ensemble was judged superior. The choir director is Mr. Wallace Nolin.

With Contemporary Music

Firestone's concert band has had a busy year competing at district and state levels and participating in various programs. The band sponsored "Bands in Round" which included Buchtel, Garfield, Firestone, and Kenmore, and were also part of the Copley "Bands in Round" show. The group received an excellent rating at the District Contest.

Individuals and groups participated in District and State Solo and Ensemble contests. Earning superior rating were Bob Snyder, piano solo; Bruce Weinberger, piano solo; Adrianne Greenbaum, flute solo; Lyn Schubert, flute solo; Adrianne, Lyn, and Jill Kaumeyer, flute trio; and Eugene Ramm, drum solo.

The orchestra received a superior rating at the State Orchestra Contest. It also served as the pit orchestra for H.M.S. Pinafore and performed in "An Afternoon of Music."

Members from both groups participated in the Akron Youth Symphony and the May Festival.

Current Events Club Sponsors Cove Branch Project

Current Events Club has earned a reputation as one of the most worthwhile organizations at Firestone. The club was in charge of the November mock election for which the school was divided into precincts and wards. One of the club's most successful undertakings was its Cove Branch Project. In order to raise money to buy a modern stove for Cove Branch School in Appalachia, the club sponsored Project Potbelly and a showing of the movie *Bye Bye Birdie*. Members took a trip to Appalachia to see Cove Branch over spring vacation. Current Events adviser is Mr. Nick Yancura.

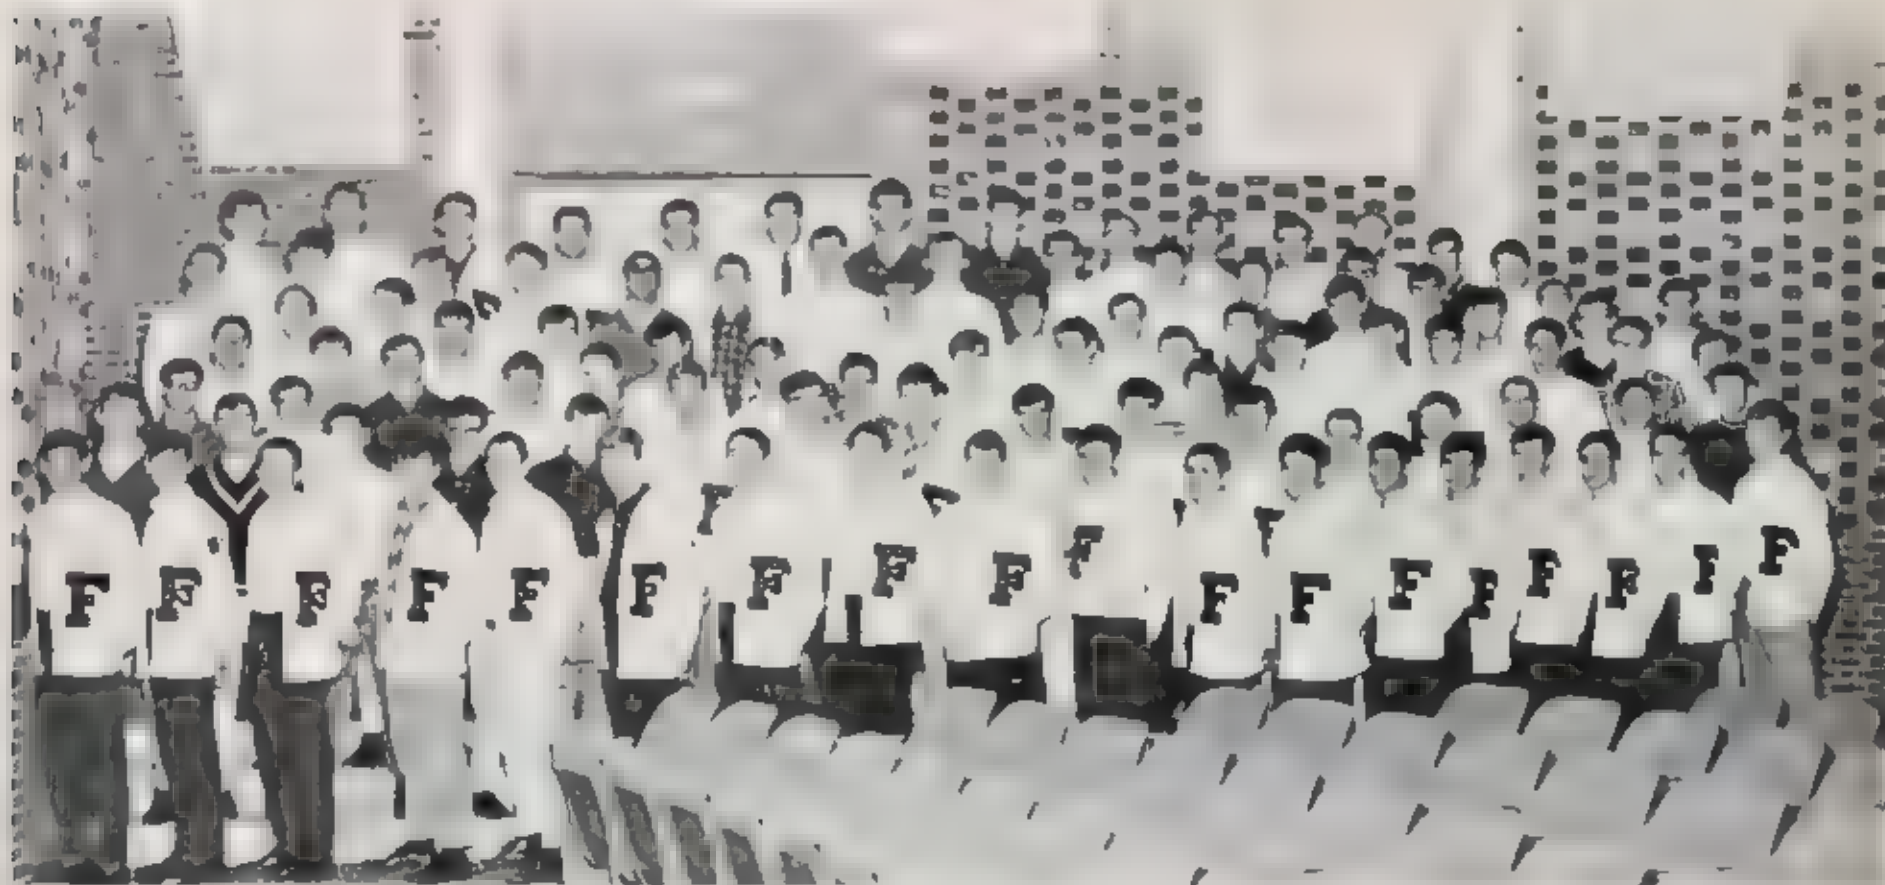

Current Events Club members Scott Jaffe, Jeff Foust, David Weiner, and Debbie Fink register student voters for the mock election.

The Varsity-F Club is made up of lettermen from all sports. In addition to bolstering school spirit, the organization performs many services for Firestone. Holding ropes around the gymnasium to prevent basketball spectators from walking on the playing area is one of their duties.

Sports representatives:
M. Fischer, cross-country
J. deMaine, golf
J. Goodman, baseball
W. Tompkins, track
S. Lindsay, football
C. Shafer, tennis
B. Moore, wrestling
R. Hershey, basketball
S. Powrie, swimming

Booster Club has succeeded in encouraging school spirit and supporting athletic teams.

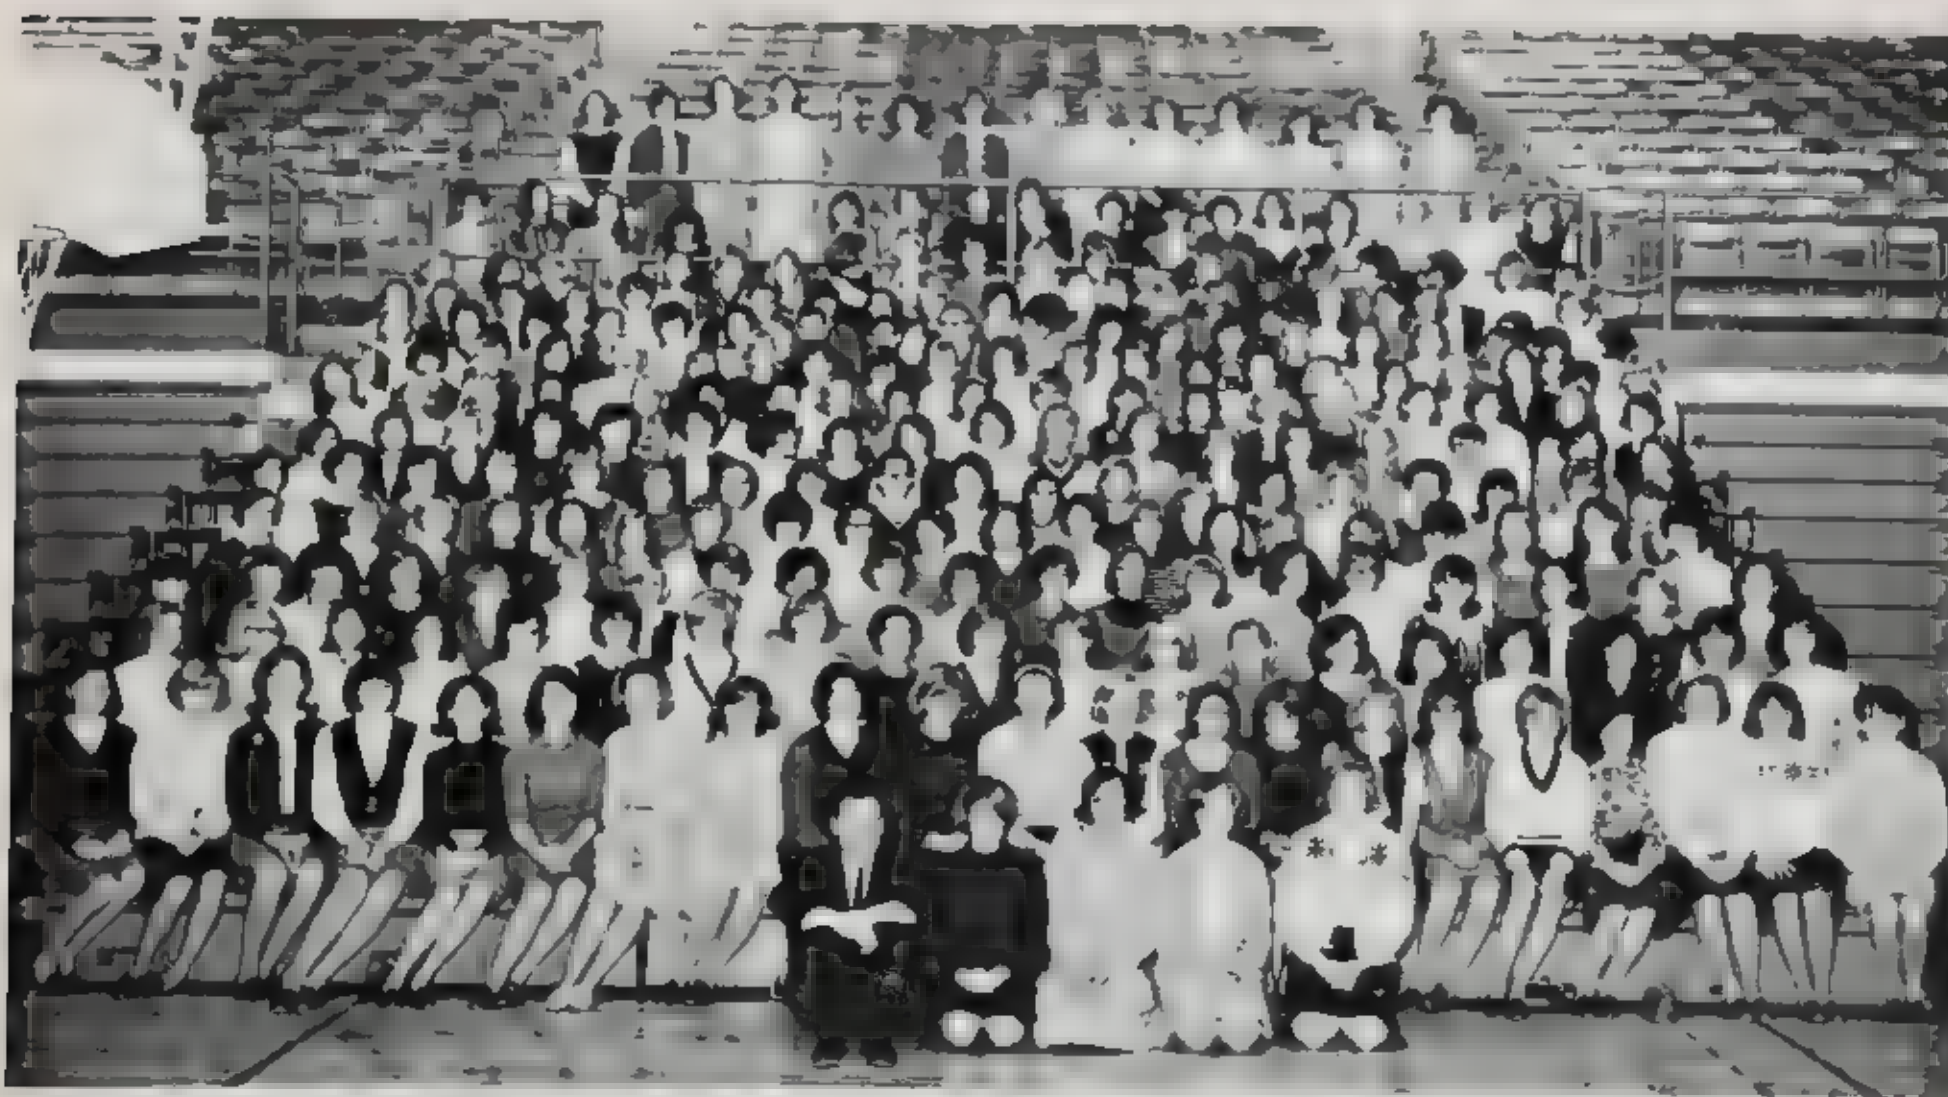

The organization sponsored a motorcade to the Buchtel football game, and they brought Cleveland disc jockey Jay Lawrence to Firestone for an after-basketball game mixer. In addition, they sold booster buttons. With the profit made from these activities, the club bought warm-up uniforms for the wrestling team.

Representatives from the club were sent to King, Fairlawn, and Case Elementary Schools for the Fun Versus Vandalism campaign.

Talking with WKYC disc jockey Jay Lawrence during Booster Club's mixer are Jeff Postma, Libby Jetter, vice-president; Kathy Heffern, president; and John Goodman, 1965 graduate.

Hi-Y Plays Active Role In School Life

Hi-Y members have been engaged in many worthwhile projects this year. Besides co-sponsoring a car wash with the activities committee, they planned the Hi-Y Daisy Dance and sent their elected sweetheart, Sandy Norman, to the city Hi-Y dance. Their volleyball team won the city championship. Members participated in Youth in Government Day. The club also received a special award for meritorious service from the Summit County Home for the Blind.

Tired but happy, Hi-Y members relax after the car wash which they co-sponsored with the Activities Committee.

Hi-Y volleyball team members hold trophy awarded to them for winning city-wide tournament. Front row, Bruce Hayward, Gary Diehl, George Carroll, Dan Lammertse; back row, Mr. Marland, Cuyahoga Falls Hi-Y head, Bob Hartelust, Frank Comunale, Jim Bonnell.

Many Falcons Take Part In JA Program

Craig Breedlove displays a model of the jet-powered car in which he set the world land speed record at the JA conference held at Firestone in the fall. Inspecting the model are Bruce Hayward, Frank Comunale, and Joe LaRocco. They are respectively vice-president, president, and production manager of Eastco Jr., a JA company sponsored by East Ohio Gas Company.

The Junior Achievement program is designed to give high school students a better understanding of the operation of business. Students hold meetings and operate their own miniature businesses under the supervision of volunteer advisers from local business and industry.

Over five hundred high school juniors and seniors participated in the JA program in its second year in the Akron area.

The Akron Achievers Association, an organization comparable to a Student Council, had for its president and vice-president Firestone seniors, respectively Bruce Hayward and John Schnur. Other Falcon members of the Achievers Association were Pat Bronson, Frank Comunale, Cheryl Gutshall, Jane Riggs, and Rick Wepsic.

The various Junior Achievement companies chose candidates for queen for the annual JA dance, **Memories Are Made Of This**. Firestone girls on the court were (sitting) Sandy Beldon, Jane Riggs, who was runner-up to the queen, and Kendra Smith. Candidates for the court were (standing) Linda Beaumont, Cheryl Gutshall, Roz Nicholas, and Jean Ann Yoe. Since the queen is unable to attend the National Junior Achievement Conference this summer, Jane Riggs will go in her place.

The **Focus** staff has continued to produce fine school newspapers which provide Falcons with information and entertainment. The National Scholastic Press Association again awarded the **Focus** an All-American rating for the fall semester.

In order for more **Focus** staff members to learn about the fundamentals and complexities of journalism, it was decided to appoint different students to the major staff positions for the second semester. Serving as co-editors for the fall semester were Marjorie Fleischer and Stu Feldstein; second semester co-editors were Carol Johnson and Steve Saltzman.

Once again the **Focus** sponsored the sale of Falc-o-grams and planned the Night of Knights dance.

Outstanding English and art students have an opportunity to earn recognition by having their works published in *Inklings*, Firestone's literary magazine.

During the year the *Inklings* staff examined and selected the best creative writing and art work submitted to them. Seven hundred and fifty magazines were printed in May by Stu Feldstein, Bill Lazarus, and John Richards on the school's offset press. Adviser to *Inklings* was Mr. Richard Pasher.

Arguing a point are the debaters who competed in the state tournament Louise Aron, Jay Crane, Shari Riff, Rick Barnett, and George VanBuren. Not pictured is Steve Cande.

Firestone debaters, under the instruction of Mr. Thomas Smith, have had a very successful season. They participated in speech tournaments on almost every weekend during the fall and winter. Kenyon College rated Shari Riff and Steve Cande as the second affirmative team in the state. Outstanding performances were turned in by Jerry Lazarus, who took first place in an Oratorical Declamation contest, and by George Van Buren and Louise Aron, who won berths at the district contest for the final state speech tournament. Shari Riff, Steve Cande, Rick Barnett, and Jay Crane represented Firestone at the state finals in debate after taking second place in the district tournament.

Second NHS Recognizes School's Outstanding Students

Fifty-seven seniors were inducted into National Honor Society last January. All students in the upper fifteen per cent of the class were rated by the faculty on the basis of their qualities of scholarship, leadership, character, and service.

Honor Society has started the tradition of placing in showcases the pictures of those students on the Honor Roll or with four point averages.

Quill And Scroll Inducts Worthy Journalists

To become a member of Quill and Scroll, the international journalism honorary, a student must be in the upper third of his class and must have done superior work in some phase of journalism such as participation in the preparation of the *Focus* or *Volplane*.

This year there were two inductions, one in the winter and one in late spring. Quill and Scroll co-sponsored the annual Night of Knights dance with the *Focus* staff.

The Firestone track team finished its season with a record of 7 wins and 5 losses. Coach Alex Adams felt the team was constantly improving as the boys set or tied the school record in every event during the season.

Senior Mike Fischer finished second in the two-mile at the State track meet in Columbus. Mike also won the two-mile at the Regional and District track meets. He finished first in the mile at the City meet. Mike Budai, Wayne Tompkins, Lee Sternberg, Bill Smith, Jim Grigas, and Rick Vandall also gave excellent performances.

The season was climaxed when the team came in fourth in the city meet.

For the second consecutive year, Willeford's Wildmen have rated as runners-up in the Shaughnessy play-offs. In the first round, the team shut out Kenmore 5-0 to give them the opportunity to meet East in the championship game. The Falcons lost a close 5-4 decision to the Orientals.

Jay Bennett handled most of the pitching for the team. He was honored with a position on the Greater Akron League All-Star Baseball Team.

This year the team was sparked by seniors Steve Lindsay, Jim Goodman, Bill Moore, Bill Fihe, Larry Harpley, Fred Richards, and John Hurteau. Next year the team hopes for strong performances from Jay Bennett, Ralph Capriola, Jim Kusyner, and John Lotto.

The golf team again dominated local competition as they compiled a record of 11-0 in league competition and 11-3 overall. The team captured an undisputed city championship and was runner up at the district playoffs.

Highlights of the season were victories over traditional rivals Cuyahoga Falls and Buchtel.

Seniors John deMaine, Joe Giovinozza, Jerry Sude, and Dan Meyer have left the team, but next year's hopes are bright with Bob Jateff, Ed Thomas, and Jack Miller returning.

Mary Yde

At the Senior Awards Assembly, Mary Yde and Randy Hershey were honored by their classmates as the most outstanding members of the Class of 1966. They received the Womanhood and Manhood awards.

Both Mary and Randy are members of Honor Society. Mary was vice-president of Student Council this year. She received the American Legion Award as a freshman. Randy served as president of Student Council and was an outstanding member on both the basketball and tennis teams. At the assembly he also received the Michigan Alumni Award, and shared the honor of Sportsman of the Year.

Steve Cande, Penny Pappas, Judy Resnik, and Mary Yde share the honor as the top students of their class. Each ended his high school career with a four-point average or better. They wore gold cords at graduation.

SENIOR CLASS OFFICERS: Pat Branson, secretary; Mr. John Durden, adviser; Sheldon Taub, president; Howard Hall, treasurer; Wayne Tompkins, vice-president

We, the class of 1966, are the second senior class to graduate from Firestone.

Over the past four years, we have helped set precedents and mold school traditions. Now we have become the leaders of the school we founded. Our officers and committee chairmen have combined to plan a year of senior activities.

The year started with a class picnic at Happy Days Camp in September. Two roller skating parties at the Akron Rollercade proved to be great fun for all who went. May 1 was the potluck supper followed by the Goodyear Theater production **The Most Happy Fella**, featuring many Falcon actors. May 16-20 was proclaimed Class Week and featured College Day, Teacher Appreciation Day, Dress up Day, dances and the revealing of the Class Ballot. The Banquet, Prom, Baccalaureate and Commencement exercises marked the end of a fun-filled year.

Shakespeare said it!

Costly thy habit as thy purse can buy,
But not express'd in fancy; rich, not gaudy;
For the apparel oft proclaims the man.

The VOLPLANE staff has tried its hardest to present to the students and faculty of Firestone a complete and accurate record of the events of the school year 1965-1966. We hope this chronicle will help all Falcons recall the activities and experiences of their high school years. We encourage you to try your hardest in meeting the challenges of the future.
